## **MEMBERSHIP PREVIEW PROGRAM**

Prospective members are eligible to experience membership at Shannopin Country Club through our Membership Preview Program for a period of 30 days. This program applies to all membership classifications.

During the preview relationship (before making an initiation fee commitment), a prospective member shall be granted use of the Club facilities and involvement in Club activities (excluding major Club tournament/events as determined by Shannopin Country Club) and usage privileges as established by the Club. Charges assessed during the preview period will be for usage only. By the end of 30 days, the prospective member will be charged the usage fees incurred and must notify the Club of the intention to continue with the process to obtain full membership (membership requirements and Board approval to be completed); or withdraw application. Additionally, the preview relationship is not transferable or refundable and provides no voting rights.

Minimum commitment and program details are as follows:

1. Prospective member must complete a Membership Application.
2. The Signed Preview Program agreement, including valid credit card or other approved form of payment, must be kept on file by Shannopin Country Club to insure payment of all charges incurred during the preview period.
3. By the end of the 30 day preview period the prospective member must give notice to Shannopin Country Club regarding intent of future membership.
4. Payment of initiation fee and Board approval must be obtained before a Preview Program participant is considered a full member of Shannopin Country Club.
5. At the discretion of the General Manager, this agreement may be terminated prior to the completion of 30 days; or extended during the time period between formal membership application and Board approval to allow the pending member to utilize club facilities in the interim.
